

Forward Looking Statements

This presentation includes forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 and Section 21E of the Securities Exchange Act of 1934. These statements relate to the release of new products, market demand for products, changing industry trends and competition, business strategies, future operating performance and outlook, including the economic impacts of of COVID-19 pandemic and future profitability. These forward-looking statements are predictions only, and actual events or results may differ materially from such statements depending on a variety of factors. These factors include, but are not limited to:

- Customer adoption and demand for our X-Series product line may be lower than we anticipate.
- Impact of economic downturns on us and our customers, including from the COVID-19 pandemic.
- Competitive dynamics of the UCaaS, CCaaS, CPaaS, video and other markets in which we compete may change in ways we are not anticipating.
- Third parties may assert ownership rights in our IP, which may limit or prevent our continued use of the core technologies behind our solutions.
- We may not achieve our target service revenue growth rate, or the revenue, earnings, bookings or other amounts we forecast in our guidance, for a particular quarter or for the full fiscal year of 2021.
- Our customer churn rate may be higher than we anticipate.
- Our Investments we make in marketing, channel and value-added resellers (VARs), e-commerce, new products, may not result in revenue growth.

For a discussion of such risks and uncertainties, which could cause actual results to differ from those contained in the forward-looking statements, see "Risk Factors" in the Forms 10-K and 10-Q filed by 8x8, Inc. with the Securities and Exchange Commission. All forward-looking statements are qualified in their entirety by this cautionary statement, and 8x8. Inc. undertakes no obligation to update publicly any forward-looking statement for any reason. except as required by law, even as new information becomes available or other events occur in the future.

Non-GAAP Measures

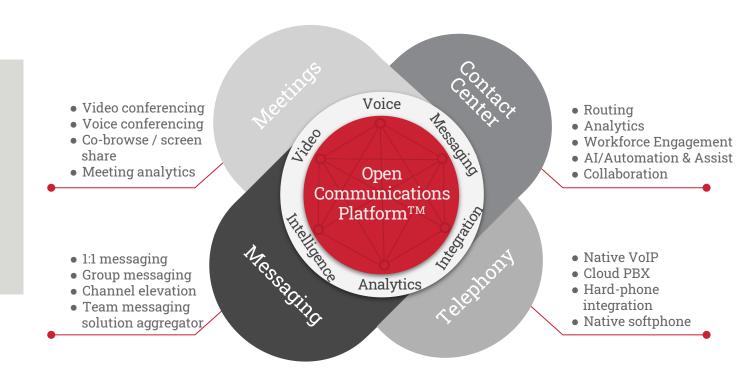

This presentation contains certain financial information that has not been prepared in accordance with Generally Accepted Accounting Principles (GAAP). Management uses these non-GAAP financial measures internally in analyzing the Company's financial results and believes they are useful to investors, as a supplement to GAAP measures, in evaluating the Company's ongoing operational performance. This information should not be considered a substitute for any measures derived in accordance with GAAP.
